## FEATURE PACKED

An In-house PA allows for Spotify, your own tunes from the headphone jack of your phone or get the party going with a DJ in our booth - they just need to bring their mixer & decks, we even have the feature lights already sorted!  
We have 2 Large TVs to show FoxSports or Photo Slideshows, plus a well serviced Pool Table.

## NO ROOM HIRE

We provide our function space to you with **NO ROOM HIRE!**  
You simply need only meet the designated minimum spend (inclusive of beverage & food), any staffing costs & the room is yours!

*Why pay added costs when there is no need?  
Let your dollar go further!*

## BAR TAB ON CONSUMPTION

Set a specific bar limit & remain comfortable that you won't go over budget. Each drink is charged per serve so the tab can be reviewed as your function progresses & increased if need be, however we will ensure that you are in full control of the amount through the event.

## CASH or EFTPOS BAR

With popular beers on tap & a fully stocked bar, your guests will be able to select from a long list of drinks which they can purchase throughout your function, even if those beverages aren't featured on your tab.

*We tailor your event to your needs & wants, so you can sit back & enjoy all the fun, with none of the fuss*
